-

EXPERIENCE

Digilians – Professional React Developer (Intern) | Jan 2026 – Present-2026

- Currently participating in an intensive React.js training program, building real-world projects using Hooks, Routing, and advanced state management.
- Developed 5+ responsive web pages using React.js, achieving 90%+ UI accuracy and increasing user engagement during testing by 25%.

Web Masters Company – React.js Frontend Developer (Intern) | Jul 2025 – Aug 2025

- Built 10+ reusable React components, reducing repetitive code by 30%.
 - Integrated REST APIs using Axios and Fetch, reducing data fetching errors by 40% and improving real-time performance.
 - Collaborated with a team of 4 developers using Git & GitHub, reducing merge conflicts by 25% through a structured branching strategy.
-

PROJECTS

E-Commerce Platform (Frontend React Developer) | Jul 2025 – Aug 2025

- Built and deployed a fully functional e-commerce application using React.js, JavaScript (ES6+), Bootstrap, and REST APIs.
- Engineered dynamic product filtering and a responsive shopping cart system.
- URL: <https://mennatahhah-soliman.github.io/e-commerce/>

Graduation Project - Autism Champions Platform | Sep 2024 – Jun 2025

- Designed and delivered a web-based platform merged with AI and chatbot technologies to support users.
 - Built 15+ reusable React components, decreasing development time for future features by 20%.
 - Implemented an AI-driven chatbot that handled user queries efficiently while maintaining high UI responsiveness.
 - URL: <https://github.com/mennatahhah-soliman/AUTISM->
-

VOLUNTEERING

Web Developer - Autism Awareness Initiative | Sep 2021 – Jun 2025

- Contributed to building 8+ responsive UI sections, improving accessibility and user engagement.

CERTIFICATES

- React.js Training – Web Masters Company
- ITI Summer Training Program (Angular)
- Frontend Development Training – SEF Academy
